WHAT'S HAPPENING THIS AUGUST

Popsicles In The Park

Friday, August 14th at 2:30pm

Join for a short walk to the gazebo in the park where we will enjoy popsicles and good company. Please meet in Town Square at 2:30 to walk together to the shelter. Once there, we will spread out at the picnic tables to allow for social distancing while visiting and taking in the beauty of our "backyard".

Bocce Ball in the Park

Tuesday, August 11 at 2:15pm: Meet in Town Square

To switch it up, we will be playing bocce ball outside near the ball diamonds in Elwood Park. I will be bringing out chairs for you to sit in. If you have a walker that's comfortable to sit on, please bring it with you. We will meet in the Square and head out to the Park together. If the weather is poor we will play in the Town Square.

Dogs With Jobs Presentation

Tuesday, August 25 at 2:30pm in the Cafe

Mary, Hallmark's Activity Team member from Hallmark on the Park, will be sharing with us. Why is the Daschund so long? Why is the Newfoundland dog so large? Why is the Whippet so long-legged? Dogs have been selectively bred to help humans for millennia. This selective breeding has given us smart, friendly, loyal animals that we categorize into breeds. We are going to look at some dog breeds and explore why they have been bred to look the way they do!

Directed Painting Afternoon

Friday, August 28 at 2:00pm in the Cafe

We will follow along with a video to create a work of art on canvas. As we progress, we will pause the video and complete each step. Come out and try something that may be new for you and go home with a canvas painted with beautiful "lilacs in a mason jar".

Music in the Yard :

3 different performances for you to enjoy

August 5th at 3:30pm: Derek Barnett brings hits of yesteryear with songs from artists such as Frank Sinatra, Dean Martin and other popular 40s, 50s & 60s music to enjoy!

August 19th at 3:30pm: Pancho & Sal bring a unique Latin flavour to their entertainment. This duo is sure to bring great rhythm, energy and an opportunity to get your feet tapping!

August 26th at 3:00pm: The Pentones are back to bring music to us this afternoon. Come out back and enjoy! Our very own Earl is part of this group and we are looking forward to hearing from them this month.

****Those of you who have patios facing the lake you can enjoy music from your deck. For all others, find a space on the back deck to enjoy these musicians.**
