# WHAT'S HAPPENING THIS SEPTEMBER

## **Pyramids of the world**

*Tuesday, September 22nd at 2:30 pm in Preservation Hall*

Everyone knows about the pyramids of Egypt, but did you know that pyramids are present in civilizations across the world? We are going to look at pyramids found in Africa, Asia, Europe, North America and South America and talk about why pyramids were prevalent in so many ancient cultures.

## **What Is Assisted Living?**

*Tuesday, September 29th at 2:30pm in Preservation Hall*

Hallmark on the Park, just around the corner, offers Assisted Living in a warm, inviting atmosphere. Come out to learn what services are offered and what it means to live in Assisted Living. Bring your questions if you have any!

## **Potato Chip Challenge**

*Tuesday, September 15th at 2:30pm in Preservation Hall*

Taste your way through a variety of chip flavours and see if you can figure out what type they are? Could it be dill pickle or sour cream and onion? Are there flavours you may never have tried?? Chips and drinks will be provided, all you need to bring is your enthusiasm!

## **Bocce Ball in the Park**

*Tuesday, September 8th at 2:15pm: Meet in Town Square*

To switch it up, we will be playing bocce ball outside near the ball diamonds in Elwood Park. I will be bringing out chairs for you to sit in. If you have a walker that's comfortable to sit on, please bring it with you. We will meet in the Square and head out to the Park together. If the weather is poor we will play in the Town Square.

## **Distantly Together: Game of**

*September 4th at 2:30pm in the Preservation Hall*

Volunteers Simrit and Ria have started a program where they create and run familiar games from home using the convenience of technology. Join them to play the game and to get to know a couple of our new volunteers.

Both girls graduated this past June and are starting university this September. During COVID they wanted to create a way to interact with others, offer some fun and do it in a way that was safe for all.

## **TV Tray Bingo**

*September 11th & 25th at 2:30pm in Town Square*

Socially distant bingo is on this month! The number of players will be limited to space and playing surfaces. IF you have a tv tray that you are able to use as a BINGO surface (for yourself or you and your spouse only), please let Emily know and she will be sure to bring it down for you to play on. Some tables are available and will be set up.
