What's Happening This September

GAME WITH RIA AND SIMRIT

*Thursday, September 3rd at 3:40 pm
Living Room*

Ria and Simrit are two young women who have been virtually volunteering in local retirement communities. They have made a game that we will display on the Living Room TV and that we can play along with.

VIRTUAL CHILLIWACK AGRICULTURAL FAIR

*Wednesday, September 2nd at 2:30 pm
Fireside Room*

The Chilliwack Fair has been running since 1873, and this year they have created a virtual Fair experience that incorporates all of our favourite Chilliwack Fair activities, including kids 4H competitions, animal educational videos, hobby (gardening, crafting, cooking, etc) competition pictures, and more! We will enjoy some popcorn and watch the video and photo entries for the Chilliwack Agricultural Fair.

ARMCHAIR TRAVEL TO HOLLAND

*Friday, September 25th at 2:30 pm
Fireside Room*

We will see beautiful photos, watch some travel videos, and learn a little bit about the history of Holland, all from the comfort of the Fireside Room. If you have photos or some history you would like to share, please bring them! We will be setting aside some time at the end for personal stories. If you have any photos you would like displayed in the slideshow, please bring them to Mary.

TASTE TEST: POTATO CHIP CHALLENGE

*Monday, September 21st at 2:30 pm
Hobby Kitchen*

The potato chip was invented in 1853 by George Crum. ... Crum finally made fries that were too thin to eat with a fork, hoping to annoy the extremely fussy customer. The customer, surprisingly enough, was happy - and potato chips were invented! Come taste some interesting flavours, see if you can guess what they are, and perhaps find your new favourite chip. Get your taste buds ready for the potato chip challenge!

MARY'S HISTORY CORNER: LIFE IN UPPER CANADA

*Friday, September 18th at 2:30 pm
Fireside Room*

Are you interested in what life was like for the early English settlers in Canada? Before 1871, Canada was divided into Upper (English) and Lower (French) Canada. Upper Canada was largely populated by British Loyalists fleeing the recently formed United States or by farming families who travelled to Canada from Britain looking for promised land and jobs. Life was hard for these settlers, but they persevered and made a life for themselves in Canada. If you are interested in learning about how early British settlers in Canada lived, come down to the Fireside Room!

KNITTING CLUB

*Monday evenings at 7:00 pm
Living Room*

Do you enjoy knitting and want to do this with the company of others? Knitting club is starting again, on Monday evenings. If you'd like to join all you need to do is show up with your knitting to the Living Room around 7pm. Need supplies? We have plenty of yarn! Ask Mary of Concierge and they will gladly get some for you.
