

## THANKS FROM TIMS

Tim Horton's hit the road to deliver baked goods and coffee to our Kelowna Villages as a thank you to our team members for their continuous dedication to providing exceptional care to our residents. Thanks back to Tim's for taking the time to recognize our team.

## HALLMARK GOES TO HAWAII

Hallmark was in the Hawaiian spirit last week! Our team celebrated by going suite to suite serving residents pineapple punch and kabobs along with their very own luau and fire show.

## HONORABLE MENTION

Our Shannon Oaks Vancouver Chef, Adriana, received honorable mention in the Gordon Food Services' national Feast Your Eyes competition! Her parmesan crusted chicken breast served with garlic roasted root vegetables and pomme puree was a feast for eyes and equally delicious!

Congratulations Adriana!

## SPRING'S RAIN

Ask the Lord for rain in the springtime; it is the Lord who sends the thunderstorms. He gives showers of rain to all people, and plants of the field to everyone.

-Zechariah 10:1

## 99 YEARS YOUNG

Happy Birthday Ollie! Ollie recently celebrated her 99th birthday alongside her friends at Shannon Oaks Oak Bay. In fact Ollie has lived at Shannon Oaks for the past 13 years, moving in just one year after it opened. She says she would have never lived this long on her own as Shannon Oaks gives her an amazing quality of life.

And about all those hats...it was National Hat Day on January 15. So not only did Ollie get to celebrate her birthday but she did it in style with a special birthday hat.

## SPECIAL DELIVERY

Birthday teas important celebrations for family and friends. This year our celebrations are a little different, yet the team at Shannon Oaks Vancouver has figured out how to still make it special for everyone. Those celebrating their birthday were able to host a couple of guests in person while being entertained by pianist Jennifer Lauren. Everyone else joined the festivities by watching the piano concert from a dedicated tv channel in their suite while the team did a special delivery of birthday cake and tea.

## A GOOD DAY

Residents and team members all across Baptist Housing are rolling up their sleeves to receive their COVID-19 vaccine. While we are still following all of the important precautions and keeping our masks on, this is such an important step as we look forward to even brighter days ahead.

With nicer weather and longer days ahead its an opportunity to get outside and enjoy the company of each other - with masks on of course. Be sure to connect with one of our team members if you have any questions about visiting your loved one.
