

HAPPY 30TH ANNIVERSARY!

Did you know Smith Creek Village started as the "Westside Care Center" 30 years ago on March 9, 1992?

Leilani Bullock and Debbie Schwabb (pictured above) have been part of our team since day one! To celebrate this significant milestone, they found photo albums of our residents and team members that captured beautiful memories of friendships over the years!

LINWOOD CONSTRUCTION UNDERWAY

Our Vice President of Property Development Dayle Krahn and Marc Kinna, CEO, went to Saanich to tour Baptist Housing's Linwood Court development project in partnership with BC Housing.

SHANNON OAKS CELEBRATES 15 YEARS!

What a fabulous 15 years it has been! Thank you to the team for an amazing Great Gatsby-themed gala. Everyone had such a fun night together full of laughter, getting into character and even some special outfits that were 20's inspired! Looking forward to many more years of happy smiles at Shannon Oaks Victoria.

ARE YOU TEAM PINK OR TEAM GREEN?

Thank you to the Smith Creek team for wearing the most stylish green shamrock inspired outfits on St. Patrick's! Over at Evergreen it was Pink Shirt Day. You all look great!

OUR DEAR MARKETING TEAM

Nothing says TEAM like matching outfits and it wasn't planned! It has been more than two years since our marketing team has been together in-person. It was a productive day of brainstorming and learning. We look forward to our next gathering and another chance to be color coordinated!
