

THANK YOU VOLUNTEERS

April 16 - 22 is National Volunteer Week in Canada and we want to celebrate our amazing volunteers. The theme for this year is Volunteering Weaves Us Together. Our volunteers contribute to the vibrancy in our communities. Their dedication and heart to engage meaningfully with our residents is encouraging and appreciated.

As we recognize National Volunteer Week, let's celebrate all of our volunteers, many of whom live in our communities and serve their fellow residents.

When you see a volunteer in action, please take the time to say hello and give them a heartfelt thanks for serving alongside us and for investing their time and talents freely.

Thanks in advance for personally thanking our amazing volunteers.

SHANNON OAKS OAK BAY CELEBRATES 16 YEARS!

We are proud to celebrate the 16th anniversary gala with our residents and team members. It is truly an amazing journey that we have taken throughout the years. What a lovely night filled with wonderful decorations, delicious food, laughter and incredible entertainment. We are so blessed to have this Shannon Oaks community.

HAPPY EASTER FROM OUR COMMUNITIES

Hallmark residents had a joyful Easter brunch with friends, family, and team members! The food was incredible but better yet was the buzz of conversation in the dining room.

An Easter brunch celebration is the perfect way to bring our Shannon Oaks Oak Bay residents and their families together! It was great to meet and cuddle our special guest - Mr. Bunny!

Easter Open House Tea at Sun Pointe Village in Kelowna invited the family and friends over to enjoy the warmth of togetherness, along with a delightful cup of tea and treats.

ARE YOU TEAM PINK OR TEAM GREEN?
