A Season of Gratitude

Thanksgiving is a time to celebrate the people and blessings in our lives. We are grateful for our residents, team members, and the friendships that make our communities feel like home. Whether it's a thoughtful gesture, a conversation over coffee, or time spent with friends, there's so much to be thankful for.

Wishing you and your loved ones a Thanksgiving filled with warmth, joy, and blessings!

Five Communities, One Picnic!

Residents from Shannon Oaks Oak Bay, Marriion Village, Elgin Gardens, Carey Place, and Linwood Court came together for a picnic at Willows Beach in Oak Bay.

Team members prepared a barbecue lunch as residents enjoyed live music. It was a chance to meet neighbours from other Baptist Housing communities and enjoy a beautiful afternoon by the water.

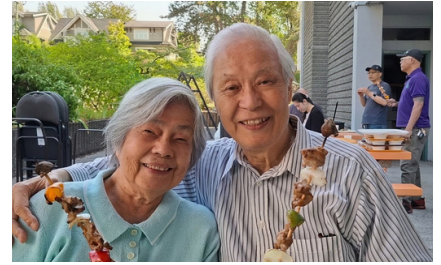

Grandview Towers BBQ Fun

Grandview Towers welcomed 75 residents for a barbecue lunch, with resident volunteers taking the lead.

From preparing the skewers to working the grill, resident volunteers made sure their neighbours had a great barbecue lunch.

Thank you to everyone who helped make the afternoon a success!

Ladybug Day at Hallmark

Ladybug Day brought a splash of red and black to Hallmark on the Park!

Residents and team members joined in the fun, dressing in ladybug-inspired colours and embracing the playful theme. People added their own creative touches, proving just how much fun a simple idea can become.

Fall Fair Fun at Mill Creek

There was lots to see and do at Mill Creek Village's Annual Fall Fair, which welcomed nearly 200 residents!

Vintage cars from the Vintage Car Club were on display, alongside live music and fair favourites like popcorn and mini donuts. The Hospitality team also prepared a cheeseburger lunch.

With such a great turnout and a full afternoon of activities, the Fall Fair continues to be a favourite tradition at Mill Creek Village.
