Dear Prospective Resident,

Thank you for your interest in Evergreen Manor Supportive Housing. Enclosed is an Application Form & a layout of a suite.

An assessment of need & ability to live at low risk within Supportive Housing must be completed with the residence administrator after the application and before entry, before residency can be confirmed.

Please note the following **Financial Information:**

Income limits for wait-listing and entry to Evergreen Manor is based on your latest Personal Income (Notice of Assessment) on Line 236 of the Income Tax Return. The Income limit for a couple is currently set at \$51,500.

Rent and supportive housing are calculated separately, but are both a part of the monthly residency agreement.

Housing subsidy is completed and approved, at the time of doing a residency agreement, this amount can be reduced to 30% of income, based on B C Housing's Income Assessment Formula.

Supportive Housing rates, effective April 1, 2019, are: \$902.00 for Double Occupancy.

If an application for a B.C. Housing subsidy is completed and approved, at the time of doing a residency agreement, this amount can be reduced to 20% of income, based on BC Housing's Income Assessment Formula.

The maximum current charges, therefore, total \$1,607.00 for a One-Bedroom Suite without an approved subsidy application. We currently have 85 subsidized suites.
