HALLMARK TRADITIONS

Our Hallmark picnic has been hosted by the MacDonald family since 2007 and our Residents look forward to it every year. What a refreshing way to kickoff the summer season!

WE DIG IT

We were so honoured to be part of the Living Salads program developed by Hands in Service. All three of our Kelowna Villages participated, what a Team!

TEA & TUTUS

Residents from Shannon Oaks were treated to a free ballet performance of 'Alice in Wonderland' at Kirk Hall. Thank you Ballet Victoria we had such a blast!

LIVING SPACES

Is it a necessity, a nice to have or a treasure?
Thank you to Corey of Organize My Space for an informative evening for our guests, Residents and Team in Kelowna.

We learned a great deal and can't wait to get started, organizing our spaces!

SOULMATE EARNS HIGH HONOUR

Jim Allan was honoured at a special ceremony at Village at Smith Creek.

Jim joined the army when he was 18 and was posted overseas in England in late 1941.

The move turned out to be auspicious because he met his future wife on a training assignment to decipher codes in London and they have been married for 76 years.

Jim is one of the few surviving veterans of D Day, the ceremony honoured him for his courage and bravery.

A letter sent from the French Ambassador to Canada says: "By the order of the President of the Republic of France, you (Jim Allan) have been awarded the rank of Knight of the French National Order of the Legion of Honour." The award is France's highest honour and is given as a testament to the wearer's courage and devotion to the ideals of liberty and peace.

Not bad for a 98-year-old who still kisses the love of his life three times a day for good luck!

OLGA'S TRAVELS

This spring, Olga put on a travel show for her fellow Residents at Shannon Oaks Vancouver. At 90, she has travelled to over a hundred countries and isn't planning on stopping! In this photo, you can see the walls of her suite are decorated with personal photos she's taken abroad.

"Living here keeps me happy, and still allows me to live my life outside these walls".
